Special Speaker

As the daughter of a well-known Baptist pastor and godly mother, David and Mary Cummins, Miriam came to know the Lord as her Savior at a young age. Miriam met her husband, Marty Marriott, at Maranatha Baptist University where she majored in Secondary Education and minored in Speech.

The Mariotts served faithfully in both church planting and pastoral ministry for twenty-three years before Marty accepted the position as president at Maranatha Baptist University where the couple now resides. They have three children, who are all serving the Lord with their families.

Miriam loves being in the ministry with her husband. Her monthly blog, “Girl Talk: A Moment With Mrs. M,” reflects the desire of her heart to share God’s goodness with ladies of all ages. She has also had a ministry in music and with children. Although she has enjoyed many areas of responsibility, her greatest passion is the private and public ministry of the Word of God to women.
